

Explanation of CCAI Bulgaria Adoption Program Fees For Families in Florida, Georgia, Texas & Wyoming

APPLICATION FEE

Application Review & Assessment

The well-being of adoptive children is CCAI's ultimate concern and main focus; their needs dictate which applicant(s) we can assist. By reviewing the completed "Application for Adoption," CCAI will determine if families meet the qualifications set by the US, Bulgaria, and this agency as stated on the Qualifications page in this packet. Your application fee covers: 1) printing, sending, and receiving the application packet; and 2) staff time spent assessing the application and contacting applicants and their references, etc.

Adoption Orientation & Consultation

FIRST PROGRAM FEE

Upon receipt of your signed Service Agreement, Fee Policy/Agreement, and First Program Fee, an orientation packet will be made available to you containing instructions to access CCAI's Bulgaria Adoption Dossier Guide.

Adoption Assessment/Home Study

No adoption can occur through CCAI without an approved home study/adoption assessment. A part of your First Program Fee covers the cost of: 1) social worker's time spent conducting individual and family interviews and counseling, visiting the family's residence, writing, typing, and editing the home study reports for the United States Citizenship and Immigration Services (USCIS), and Bulgaria; 2) travel expenses associated with the interviewing and visiting process; 3) staff time spent collecting and verifying references and state child abuse records; 4) child placement supervisor's time spent supervising the home study process and approving the assessment report; and 5) professional insurance.

Background Check

Any American citizen who desires to adopt internationally must be cleared by the state child abuse registers in any state and/or country in which the applicant has resided since the age of 18. A part of your First Program Fee covers CCAI staff time spent: 1) communicating with related state or county registers for child abuse and sex offender's records; and 2) coordinating with the individual State related Department for approval of the home study report.

Hague Adoption & Parent Training

As required by Hague, each prospective adoptive parent must complete 10 hours of parent training on the adoption process and issues unique to international adoption before completing your homestudy. In addition, CCAI requires an additional 12 hours of live face to face training via Zoom before your adoption is completed. A part of your First Program Fee covers staff time spent: 1) producing and providing the online training material; 2) wages paid to guest speakers and training experts and 3) tracking training and issuing a certificate of completion

Dossier Assistance/Review

Therefore, a complete and high-quality dossier is extremely important. A part of your Program Fee covers: 1) CCAI staff time organizing and providing online Dossier Orientation; 2) assisting you throughout the dossier compilation process; and 3) reviewing the completed dossier for quality control.

Domestic Communication

The process of providing international adoption services requires constant communication between CCAI and the adoptive family, relevant US governmental agencies, your social worker performing the home study, and the Bulgaria Embassy and consulates. This is done through phone, internet, regular and express mail. A part of your First Program Fee covers the cost of providing these vital services.

Accrediting Entity Monitoring & Oversight Coordination

All agencies and individuals serving families to adopt internationally must be accredited according to the regulations and standards set forth by the Hague Convention on Protection of Children and Co-operation in Respect of Intercountry Adoption. The US Accrediting Entity and the US Department of State require a substantial amount of communication and data reporting as part of their monitoring and oversight requirements. A part of your First and Second Program Fee covers CCAI staff time spent: 1) Communicating and coordinating with the Accrediting Entity as required under the Hague Convention; and 2) Compiling and reporting required data and information to the Accrediting Entity.

Administration

As a non-profit charitable 501(c)(3) agency, we are permitted to spend up to 25% of our program fees on administrative needs. However, we are able to keep our administrative costs at less than 20% of our overall agency expenses. A part of your Program Fee partially covers necessary administrative expenses such as office building expenses, office equipment and insurance, bank fees, office supplies, printing materials, public relations, accounting, IT, office management, maintaining and managing adoption files, and routine operational activities.

There are also State and USCIS (United States Citizenship and Immigration Services) requirements regarding the child's US citizenship and other issues related to adoption finalization.
