

CCAI Bulgaria Adoption Program Fees

For Families in Florida, Georgia, Texas & Wyoming

CCAI is proud to be a 501(c)(3) non-profit, charitable adoption agency. That means we are financially accountable to you as the American public and as an adoptive family. Disclosing all costs up front and having no hidden charges is important to us. While providing uncompromised first-class adoption service, CCAI's fees are among the lowest in the field of Bulgaria adoption.

Once your application is approved, you will sign a Fee Policy/Agreement (see "Sample Fee Policy") with CCAI which commits you to pay: 1) CCAI fees, and 2) expenses paid to other entities necessary to complete your adoption (see "Adoption Expenses & Chronology"). **The Fee Policy/Agreement also commits CCAI to not change the amount of our fees throughout your adoption.**

Families make payments to CCAI at three different times and only when they are ready to be provided with the services covered by that fee. Following is a breakdown of the services covered by each of CCAI's fees.

Please see "Explanation of CCAI Bulgaria Program Fees" to better understand how each of these services brings you and your adopted child closer to each other. There are State and USCIS (United States Citizenship and Immigration Services) requirements regarding the child's US citizenship and other issues related to adoption finalization. Upon timely completion of your post adoption reports, receipt of the child's adoption decree, birth certificate, and the child's Certificate of Citizenship, the deposit will be refunded to the family.
