

# CCAI Colombia Adoption Program Fees

## For Families in GA/FL/KY/TX & WY

CCAI is proud to be a 501(c)(3) non-profit, charitable adoption agency. That means we are financially accountable to you as the American public and as an adoptive family. Disclosing all costs up front and having no hidden charges is important to us. While providing uncompromised first-class adoption service, CCAI's fees are among the lowest in the field of adoption from Colombia.

Once your application is approved, you will sign a Fee Policy/Agreement (see "Sample Fee Policy Agreement") with CCAI which commits you to pay: 1) CCAI fees and 2) expenses paid to other entities necessary to complete your adoption (see "Adoption Expenses by Chronology"). **The Fee Policy/Agreement also commits CCAI to not change the amount of our agency fees throughout your adoption.**

## **For Families in GA/FL/KY/TX & WY**

### **APPLICATION FEE**

#### **Application Review & Assessment**

The well-being of adoptive children is CCAI's ultimate concern and main focus; their needs dictate which applicant(s) we can assist. By reviewing the completed "Application for Colombia Adoption," CCAI will determine if families meet the qualifications set by the US, Colombia, and this agency as stated on the Qualifications page in this packet. Your Application Fee covers: 1) sending, receiving and printing the application packet; and 2) staff time spent assessing the application and contacting applicants and their references, etc.

### **FIRST PROGRAM FEE**

#### **Adoption Orientation & Consultation**

Orientation is held to prepare adoptive parents in the areas of understanding international adoption procedures, our agency's policies and practices, requirements of the home study, and Colombia adoption-related paperwork, etc. A part of your First Program Fee covers the cost of: 1) staff time spent arranging and conducting orientation and training; and 2) supplies, printed materials etc., for applicants' group sessions.

#### **Child Abuse/Background Check**

Any American citizen who desires to adopt internationally must be cleared by the state child abuse registers in any state and/or country in which the applicant has resided since the age of 18. A part of your First Program Fee covers CCAI staff time spent: 1) communicating with related state or county registers for child abuse and sex offender's records; and 2) coordinating with the individual State related Department for approval of the home study report.

#### **Adoption Assessment/Home Study**

No adoption can occur without an approved home study/adoption assessment. A part of your First Program Fee covers the cost of: 1) social worker's time spent conducting individual and family interviews and counseling, visiting the family's residence, writing, typing, and editing the home study reports for state, the United States Citizenship and Immigration Services (USCIS), and Colombia; 2) travel expenses associated with the interviewing and visiting process; 3) staff time spent collecting and verifying references and child abuse records; 4) child placement supervisor's time spent supervising the home study process and approving the assessment report; and 5) professional insurance.

#### **Dossier Assistance/Review**

The Central Authority in Colombia (ICBF) approves you based upon your qualifications as presented in your adoption dossier. Therefore, a complete and high-quality dossier is extremely important. A part of your First Program Fee covers: 1) CCAI staff time organizing and providing Dossier Orientation; 2) assisting you throughout the dossier compilation process; and 3) reviewing the completed dossier for quality control.

#### **USCIS (I-800A) Filing**

American citizens wishing to adopt internationally must also be approved by the USCIS. A part of your First Program Fee covers CCAI staff time spent: 1) guiding Prospective Adoptive Parents (PAPs) in collecting and submitting related USCIS filing fee and documents; and 2) communicating with the USCIS office to assist with USCIS approval.

#### **Domestic Communication**

The process of providing international adoption services requires constant communication between CCAI and the adoptive family, relevant US governmental agencies, your social worker performing the home study and home study agency in general. This is done through phone, fax, email/intranet/internet, newsletters, and regular/standard mail. A part of your First Program Fee covers the cost of providing these vital services.

### **State- and Hague-Required Adoption & Parent Training**

The Intercountry Adoption Act, as well as many states, requires adoptive parents to receive training on infant and toddler care, children with special needs, attachment, cross-culture, and international adoption before traveling to Colombia. The State of Colorado specifically requires at least 24 hours of face-to-face parent training. CCAI provides that training to adoptive families through helpful on-site and/or online classes. Experts, panels of adoptive parents, and/or adult adoptees conduct the classes. A part of your First Program Fee covers: 1) CCAI staff time spent preparing the required training sessions; 2) editing and printing training materials that fulfill State requirements; 3) online courses management, and 3) wages paid to guest speakers and training experts.

### **Child Specific Training & Consultation**

CCAI adoption clinical staff will provide child-specific training and consultation with PAPs as well as additional insight, answers to questions, and further resources to support or expand the parent training and preparation process before an adoption is completed. A part of your First Program fee will cover our staff's consultation and support throughout your adoption process.

### **Accrediting Entity Monitoring & Oversight Coordination**

All agencies serving families to adopt internationally must be accredited according to the regulations and standards set forth by the Hague Convention on Protection of Children and Co-operation in Respect of Intercountry Adoption. The US Accrediting Entity and the US Department of State require a substantial amount of communication and data reporting as part of their monitoring and oversight requirements. A part of your First Program Fee covers CCAI staff time spent: 1) Communicating and coordinating with the Accrediting Entity as required under the Hague Convention; and 2) Compiling and reporting required data and information to the Accrediting Entity.

### **Administration**

As a non-profit charitable 501(c)(3) agency, CCAI is permitted to spend up to 25% of our program fees on administrative needs. A part of your Program Fee partially covers necessary administrative expenses such as office building expenses, office equipment and insurance, bank fees, office supplies, printing materials, public relations, accounting, IT and office management, maintaining and managing adoption files, and other routine operational activities.

Bogotá for Article 5, informing the ICBF that the U.S. Central Authority agrees that the adoption may proceed, and 6) sending the PAP signed acceptance letter and the Article 5 to the ICBF and requesting of permission to travel.

### **International Communication**

A successful Colombian adoption requires international communication on multiple levels and in large quantity. A part of your Second Program Fee covers the ongoing communication regarding your family's dossier, and adoption travel invitation as well as communication with the ICBF, CCAI in-country representative(s), the US Embassy, and USCIS through phone, fax, email/intranet/internet, and international express mail.
