

# CCAI Ukraine Adoption Program Fees

## For Families in Florida, Georgia, Texas & Wyoming

CCAI is proud to be a 501(c)(3) non-profit, charitable adoption agency. That means we are financially accountable to you as the American public and as an adoptive family. Disclosing all costs up front and having no hidden charges is important to us. While providing uncompromised first-class adoption service, CCAI's fees are among the lowest fees in the field of Ukraine adoption.

Once your application is approved, you will sign a Fee Policy/Agreement (see "Sample Fee Policy Agreement") with CCAI which commits you to pay: 1) CCAI fees and 2) expenses paid to other entities necessary to complete your adoption (see "Adoption Expenses by Chronology"). **The Fee Policy/Agreement also commits CCAI to not change the amount of our fees throughout your adoption.**

Families make CCAI fee payments three different times and only when they are ready to be provided with the services covered by that fee. Following is a breakdown of the services covered by each of CCAI's fees.

Please see "Explanation of CCAI Ukraine Program Fees" to better understand how each of these services brings you and your adopted child closer to each other. There are State and USCIS (United States Citizenship and Immigration Services) requirements regarding the child's US citizenship and other issues related to adoption finalization. Upon receipt of the child's adoption decree, birth certificate, the child's Certificate of Citizenship, and 1st year post adoption report submitted at the Ukraine Consulate, the deposit will be refunded to the family.

NOTE: If only one parent travels to Ukraine to complete the adoption, your child will arrive home on an IR-4 visa and will only receive a Permanent Resident Card, NOT US citizenship. After re-adoption, adoptive parents must apply for a Certificate of Citizenship through USCIS. Upon timely completion of these requirements, and receipt of a photocopy of US issued adoption decree, US birth certificate, child's Certificate of Citizenship and 1st year post adoption report submitted at Ukraine Consulate, the deposit will be refunded to the family.
